

# MINNEAPOLIS HOUSE

## **WHAT IS A HOUSE CHURCH?**

A distinguishing component of the early church was its devotion to meeting in people's homes for worship, prayer, teaching, fellowship, and breaking of bread. That's precisely what House Churches are devoted to. It's a community of people (3 or 4 small groups) seeking to worship together, grow together, and be fully devoted followers of Jesus Christ. Each House Church is led by two faithful and established leaders and has a worship and teaching component. The aspect of meeting in homes brings greater intimacy and reinforces the fact that the church is our spiritual family.
